Welcome to *Spirit of Christmas 2023*

Greetings to all of you attending our show today, an event we have been producing since 1989! We started the show with famed director/choreographer Wanda Manville (*Tempe Dance Academy*) as an artistic way to express both the joy and fun of the holiday season, but also as our way to unashamedly share our openness to the good news of Emmanuel, “God with us.” We thank all the families for their trust in our process of teaching and helping our students to learn, grow and express themselves through the art of dance. We also thank our wonderful staff: our office staff and teaching staff for their excellent care and hard work on behalf of our TDA dancers. Enjoy the show and may you have a beautiful and joy-filled holiday season!
